

Washington – Caldwell
4-year-old Kindergarten
Transportation Form

Bus transportation is provided to all students within the Washington – Caldwell School District Boundaries to and from their place of residence. Bus transportation is not provided to those living outside the district. It is the responsibility of parents/guardians of all students to ensure accurate information is given to both the school and the bus company regarding transportation arrangements. Please take a moment to indicate the regular plan for drop-off and pick-up for your child. 4K students can elect to stay with YMCA Extended Care from 11:30 am to 3:40 pm and go home on bus or continue with YMCA Y Base Care up to 6:00 pm.

If there is a change of plans, for any reason, please contact both Washington-Caldwell and Dousman Bus Company. If a student will be picked up by anyone other than their parent, the person or persons with permission to pick up the student must be on the emergency contact list. Identification, for anyone other than the student's parent, will be checked to ensure that they have your authorization to take your child from school.
