Topics of Interest

Open Enrollment

Open Enrollment for the 2021-2022 school year opened on Monday, February 1, 2021 and will close on Friday, April 30, 2021. If you know of any families looking to be part of the Washington Caldwell School District, please have them contact the District at 262-662-3466 for more information.

4K/5K New Students for Next School Year

Please contact the school office or email if you have a child that will be starting school next year. We would like to send you a pre-registration packet.

Drama Club 2021

The Washington-Caldwell Drama Club will meet every Tuesday from 3:40 to 4:30pm. Drama club is open to all students in **sixth through eighth grade**. Students will need a note to stay for this club meeting every Tuesday. Students can write their own plays or choose from the many scripts that are available. Students will perform their pieces in May streaming over Google Meet. The performance date will be announced later in the school year. Drama club meetings may be expanded to 5:00 pm in April and May.

COVID Precautions: Meetings will be held in the gym with students spaced apart as much as possible and masks will be required. If you have any questions, please contact Mr. Thompson at tthompson@washcald.com or 262-662-3466, ext. 104.

Chess Club 2021

The Washington-Caldwell Chess Club will meet every Wednesday from 3:40 to 4:30 pm. Students do not need to know how to play chess to attend; beginners will be taught how to play. Chess club is open to all students in **fifth through eighth grade**. Students will need a note to stay for this club meeting every Wednesday.

COVID Precautions: Meetings will be held in the gym with tables spaced far apart and masks will be required. Students will play opponents in their own grade. When this is not possible, students will play an instructor. Students will only touch their own chess pieces and chess pieces will be isolated seven days until the next meeting. If you have any questions, please contact Mr. Thompson at tthompson@washcald.com or 262-662-3466, ext. 104.

Hello Washington-Caldwell Parents

As you may know, we are currently raising funds for the Leukemia and Lymphoma Society. We have several functions occurring: **Penny War, Stuck for a Buck, and an online fundraiser**. The classes who raise the most money or collect the most pennies will win pizza parties. Students can also win individual prizes. Several classes have been successful with online donations. Friends and family can donate from anywhere. We have attached the information to this parent update if you know of anyone who can help. Please pass along this information if you would like to help.

Thank you for your time,

Students of the Washington-Caldwell Chapter of The National Junior Honor Society

National Junior Honor Society

NJHS & the American Red Cross are holding a blood drive on Monday, April 12th at the Tichigan Lake Civic Center.

Please see attachment.

Calendar of Events

Tuesday, March 9

**6 - 8th Grade Drama Club
from 3:40 - 4:30 pm.**

Wednesday, March 10

**5th - 8th Grade Chess Club
from 3:40 - 4:30 pm.**

Friday, March 12

**Forensics Treat Sale
from 2:00 - 3:30 pm.**

Weekly Lunch Menu

| Monday 3/8 | Tuesday 3/9 | Wednesday 3/10 | Thursday 3/11 | Friday 3/12 |
|--|---|---|--|--|
| French Toast Sticks w/Hard Boiled Egg OR Toasted Cheese Sandwich Or Bagel Yogurt Pack | Chicken Tenders OR BBQ Rib Sandwich Or Bagel Yogurt Pack | Walking Taco OR Popcorn Chicken Or Bagel Yogurt Pack | Corn Dog OR Chicken Sandwich Or Bagel Yogurt Pack | Fish Sandwich w/Cheese OR Cheese Pizza Or Bagel Yogurt Pack |

COVID-19

If a student or a family member has been diagnosed with COVID-19 or have been deemed a close contact of COVID-19, please follow the direction given to you and your family by the health department. If you have any clarifying questions, please reach out to the health department, or you may contact the district nurse at 262-424-2868.

Please see the attachment with new CDC guidelines.

Hello Bulldog families,

Please read the below message regarding the Washington Caldwell Virtual Learning expectations:

The virtual learning option is to be used when there is an issue of quarantine or extended absence.

Virtual learning needs to be arranged with the teacher prior to the day of the extended absence whenever possible. If this is not possible, as in the case of a quarantine, students may need to wait a day in order to be able to be connected virtually.

We have recently experienced multiple instances of students being called in sick, only to request virtual learning that morning or after the day has started. This type of situation creates uneven instructional practices and unrealistic learning expectations for our students. We believe that students who are home ill should not be required to do the daily work in the virtual format. Our caring teachers will be sure to communicate and share missing work when your child returns. We do not want to put additional pressure on students to perform when they are ill.

We appreciate your understanding. Student health, learning, and well-being are our top priorities.

As a reminder, I have dedicated office hours for parents each Wednesday we are in session. The hours are 9:00 a.m. to 10:30 a.m. Please contact me to set up a visit if you have any questions, concerns or ideas on how we can grow and become better as a district and school.

Thank you,
Kevin McCormick
Superintendent/Principal

GO BULLDOGS!

Win a Pizza Party

The National Junior Honor Society and the American Red Cross are holding a blood drive on **Monday, April 12** at the Tichigan Lake Civic Center from **1:00 pm to 6:00 pm. Your donation will help people and you can learn if you have Covid19 antibodies.**

Each person who attempts to donate blood will also receive a cool gift from the Red Cross, and the class that brings in the most donors will win a pizza party for their class! Fill in the coupon below to record your child's class and bring it in when you donate. If you have more than one student at Washington-Caldwell, write them all, and they will all receive credit.

So help the Red Cross, the Washington-Caldwell National Junior Honor Society, and get a cool gift and win your class a pizza party.

Schedule Now at RedCross.org Already have an appointment? Recruit a friend!

Read to Succeed Tickets Extended

Unused tickets earned during the 2020 season will be valid through August 31, 2021.

Thank you for your participation in Read to Succeed. We know that this has been a trying year and because of this, we have extended unused 2020 Read to Succeed tickets through August 31, 2021.

If you have any questions please don't hesitate to send us a note.

Sincerely,

The Six Flags Read to Succeed Team

Health Screening Checklist

COVID-19 Health Screening Checklist for CHILDREN

Person conducting screening should maintain 6 feet of distance from child while asking questions. Questions should be posed to parents of small children; children old enough to understand and answer for themselves may be asked directly. Tool intended to assist programs to screen for COVID-19, but should not replace other communicable disease screening tools or protocols for school programs.

Part 1

| | YES | NO |
|---|--------------------------|--------------------------|
| Has your child been in close contact with anyone who tested positive for COVID-19 or was diagnosed with COVID-19 in last 14 days? | <input type="checkbox"/> | <input type="checkbox"/> |
| Has your child been diagnosed with COVID-19 by a health care provider in the last 10 days? | <input type="checkbox"/> | <input type="checkbox"/> |
| Has your child developed any of the following symptoms within the past 24 hours? | | |
| • Cough | <input type="checkbox"/> | <input type="checkbox"/> |
| • Shortness of breath/trouble breathing | <input type="checkbox"/> | <input type="checkbox"/> |
| • New loss or sense of taste or smell | <input type="checkbox"/> | <input type="checkbox"/> |
| • Has your child taken medication in past 24 hours to lower temperature (Tylenol, ibuprofen)? | <input type="checkbox"/> | <input type="checkbox"/> |

If YES to any question in Part 1, the child should be sent home.
If NO to all questions in Part 1, proceed to Part 2.

Part 2

Has your child developed any of the following symptoms within the last 24 hours?

| | YES | NO | | YES | NO |
|--|--------------------------|--------------------------|--|--------------------------|--------------------------|
| Sore throat | <input type="checkbox"/> | <input type="checkbox"/> | Headache | <input type="checkbox"/> | <input type="checkbox"/> |
| Unusual fatigue | <input type="checkbox"/> | <input type="checkbox"/> | Muscle or body aches | <input type="checkbox"/> | <input type="checkbox"/> |
| Nausea (<i>sick to stomach</i>) or vomiting▲ | <input type="checkbox"/> | <input type="checkbox"/> | Fever ($\geq 100.4^{\circ}\text{F}$) or chills (<i>would indicate fever</i>) ▲ | <input type="checkbox"/> | <input type="checkbox"/> |
| Runny nose or nasal congestion | <input type="checkbox"/> | <input type="checkbox"/> | Diarrhea▲ | <input type="checkbox"/> | <input type="checkbox"/> |

If YES to 2 or MORE questions in Part 2, child should be sent home.

If YES to 0 or 1 question(s) in Part 2, child may remain at facility.

Child to be sent home

- Record child's name, symptoms, and the date symptoms started in your illness log/line list.
- Child should be **immediately sent home** to isolate and should be tested for COVID-19.

Child may remain at facility

Child should wash (or sanitize) hands before having contact with other children or staff.

▲ Vomiting, diarrhea, and fever—alone or together—should exclude a child from school. However, they do not necessarily indicate the need to test for COVID-19 or for COVID-19 isolation.

January 6, 2021

On December 2, 2020, the CDC issued new options on quarantine for COVID-19. Local public health authorities, such as the Central Racine County Health Department determine and establish the quarantine options for our jurisdiction. CDC currently recommends a quarantine period of 14 days. However, based on local circumstances and resources, the following option to shorten quarantine is an acceptable alternative.

- **Quarantine can end after Day 10 without testing and if NO symptoms have been reported during daily monitoring.**

Persons can discontinue quarantine at these time points only if the following criteria are also met:

- **No clinical evidence of COVID-19 has been elicited by daily symptom monitoring during the entirety of quarantine up to the time at which quarantine is discontinued; and,**
- **Daily symptom monitoring continues through day 14; and,**
- **Persons continue to adhere strictly through day 14 to all recommended non-pharmaceutical interventions (NPIs, a.k.a. Mask wearing, hand hygiene, social distancing), especially.**
- **If any symptoms develop, the person should immediately self-isolate and contact the local public health authority or their healthcare provider to report this change in clinical status.**

*****Daily symptom monitoring for COVID-19 illness both during quarantine and after its discontinuation through Day 14 is the responsibility of the parent/guardian.**

“With this strategy, residual post-quarantine transmission risk is estimated to be about 1% with an upper limit of about 10%.”(*Options to Reduce Quarantine for Contacts of Persons with SARS-CoV-2 Infection Using Symptom Monitoring and Diagnostic Testing 2020*).

Quarantine Definition: “Quarantine is used to separate someone who might have been exposed to COVID-19 and may develop illness away from other people. Quarantine helps prevent spread of disease that can occur before a person knows they have the virus” (*Options to Reduce Quarantine for Contacts of Persons with SARS-CoV-2 Infection Using Symptom Monitoring and Diagnostic Testing 2020*).

When students are called in by a parent or guardian as “self-quarantine” (not actively infected with COVID-19), the attendance office staff will code the student for an absence length of ten days since the last contact with the positive covid case. (Last day of contact is Day Zero. Day Ten is a “through” day. Day 11 a person may return to normal activity).

Parents and Guardians will have the option to keep their student home for a 14 day quarantine if they chose to without penalty. It will be the responsibility of the parent to notify the school attendance office of the additional days out (4 days). Persons can continue to be quarantined for 14 days without testing per existing recommendations. This option maximally reduces risk of post-quarantine transmission risk and is the strategy with the greatest collective experience at present.

These recommendations are based on the best information available in November 2020 and reflect the realities of an evolving pandemic. The CDC, Wisconsin DHS, Wisconsin DPI and our local health department, will continue to closely monitor the evolving science for information that would warrant reconsideration of these recommendations.
