Transportation

Please email **Karen Kaldor** at kkaldor@washcald.com and **Sue Krystowiak** at skrystowiak@washcald.com and your student's teacher if there is a change in the way your student is transported home after school. We also need to know if someone different is picking your student up and that they have your permission. Thank you.

Car pickup line at 3:30

We can **NOT** have cars waiting on Hwy 164. Please come into the first driveway if you would be on Hwy 164. We will merge you into the pickup line. Also please do not leave extra space between cars when waiting on Denoon Road.

Hello Bulldog families,

We are very happy with the participation in the parent/teacher conferences last week. We had nearly 100% participation, which is incredible. This is a testament to the commitment our families have to their child's education, as well as the culture of learning and togetherness our entire staff has developed at Washington Caldwell. We also received positive feedback regarding the flexibility of virtual conferences. I would like to thank Ms Kelli Vogt for putting her expertise in setting up the technology to make conferences successful. I also want to thank our entire teaching staff for adapting to this new format. A big thank you to the WCSD PTO for providing dinner during conferences. Thank you!

I want to share with all of you that we continue to monitor the level of COVID-19 cases in the community and the impact on our school community. To date, we are fortunate we are able to continue with in-person learning. Having our students and staff in the building together has brought some normalcy to all of us during the pandemic. As we shared in our letter to families last week, the status of in-person learning could change very quickly depending on multiple factors. We want to assure you we are prepared to move to a virtual platform in the event we need to change our delivery of instruction. Your continued support of our risk reduction practices is making a difference. Thank you.

Lastly, we have begun MAP testing and PALS testing of our students. We will use this data to help formulate individualized instruction, as well as support the development of our district and school goals. We will be sharing the results of these assessments once they are completed.

Sincerely,
Kevin

GO BULLDOGS!

Where: Kenosha County Center
19600 75th Street, Bristol, WI 53104

Dear Parents,

Washington Caldwell School District is partnering with the American Red Cross to host a blood drive through the [Future Blood Donor](#) program. This program will introduce students to the importance of blood donation and will provide lifesaving blood products for hospital patients. Our students will have the opportunity to show leadership and help save lives by recruiting blood donors for our upcoming blood drive. Each student who recruits an adult to donate will be recognized as a Future Blood Donor with a fun gift from the Red Cross.

You can support this program by donating blood, recruiting other donors or volunteering at the blood drive. Please schedule your blood donation appointment at redcrossblood.org using sponsor code Waterford or by downloading the [Blood Donor App](#).

**Washington Caldwell School District
Blood Drive
@ Tichigan Lake Civic Center
6710 Big Bend Rd
Monday, Oct. 26, 2020
1:00pm - 6:00pm**

Every two seconds, someone in the U.S. needs blood. We hope you will
join us and help save lives!

Sincerely,

Toby Thompson

Health Screening Checklist

COVID-19 Health Screening Checklist for CHILDREN

Person conducting screening should maintain 6 feet of distance from child while asking questions. Questions should be posed to parents of small children; children old enough to understand and answer for themselves may be asked directly. Tool intended to assist programs to screen for COVID-19, but should not replace other communicable disease screening tools or protocols for school programs.

Part 1

	YES	NO
Has your child been in close contact with anyone who tested positive for COVID-19 or was diagnosed with COVID-19 in last 14 days?	<input type="checkbox"/>	<input type="checkbox"/>
Has your child been diagnosed with COVID-19 by a health care provider in the last 10 days?	<input type="checkbox"/>	<input type="checkbox"/>
Has your child developed any of the following symptoms within the past 24 hours?		
• Cough	<input type="checkbox"/>	<input type="checkbox"/>
• Shortness of breath/trouble breathing	<input type="checkbox"/>	<input type="checkbox"/>
• New loss or sense of taste or smell	<input type="checkbox"/>	<input type="checkbox"/>
• Has your child taken medication in past 24 hours to lower temperature (Tylenol, ibuprofen)?	<input type="checkbox"/>	<input type="checkbox"/>

If YES to any question in Part 1, the child should be sent home.

If NO to all questions in Part 1, proceed to Part 2.

Part 2

Has your child developed any of the following symptoms within the last 24 hours?

	YES	NO		YES	NO
Sore throat	<input type="checkbox"/>	<input type="checkbox"/>	Headache	<input type="checkbox"/>	<input type="checkbox"/>
Unusual fatigue	<input type="checkbox"/>	<input type="checkbox"/>	Muscle or body aches	<input type="checkbox"/>	<input type="checkbox"/>
Nausea (<i>sick to stomach</i>) or vomiting▲	<input type="checkbox"/>	<input type="checkbox"/>	Fever ($\geq 100.4^{\circ}\text{F}$) or chills (<i>would indicate fever</i>) ▲	<input type="checkbox"/>	<input type="checkbox"/>
Runny nose or nasal congestion	<input type="checkbox"/>	<input type="checkbox"/>	Diarrhea▲	<input type="checkbox"/>	<input type="checkbox"/>

If YES to 2 or MORE questions in Part 2, child should be sent home.

If YES to 0 or 1 question(s) in Part 2, child may remain at facility.

Child to be sent home

- Record child's name, symptoms, and the date symptoms started in your illness log/line list.
- Child should be **immediately sent home** to isolate and should be tested for COVID-19.

Child may remain at facility

Child should wash (or sanitize) hands before having contact with other children or staff.

▲Vomiting, diarrhea, and fever—alone or together—should exclude a child from school. However, they do not necessarily indicate the need to test for COVID-19 or for COVID-19 isolation.
