Topics of Interest

Student Arrival Time in The Morning Before School

Our morning drop-off time is between **8:20-8:30 a.m.**

Reminder: When you are dropping your children off in the morning please make sure that they are getting out of the vehicle where there is a supervisor present to help them. Please do not let them get out on their own. This helps us ensure their safety. Thank you for your help in this matter

Afternoon Dismissal – New Time 3:30 pm

We will begin to dismiss students out of the Middle School doors at **3:30 pm**. Please roll down your window so we can see who is picking up students. As you arrive in the pickup line, please park as far up as possible (around the parking lot).

Face Coverings

Overall everyone has done a GREAT job wearing their masks. Thank you for your parent support in this matter. Please remind your student that masks need to be worn on buses and at school. The mask always needs **to cover the nose and mouth**. Face coverings help keep everyone as safe as possible!

PROTOCOL IF TESTED FOR COVID-19

If your student is tested for COVID-19, they will need to stay home until a test result is obtained from the provider. This is to help ensure the safety and well being of all students and staff. Please contact the office by email or phone each morning of your child's absence so we have accurate information.

If your student is declared positive, please contact the school so we may contact the district nurse for proper follow up. If it is a negative result, we would appreciate a phone call or email to inform the office of that too. **Students may return to school after a negative result if they have no symptoms.**

If a household member is tested, parents should think carefully when deciding if student should come to school while the family member is awaiting results. If student has no symptoms, they can attend but if family member is extremely sick, parents should think about what is best for everyone. Please do not hesitate to email or call the school nurse or the school office with questions as they come up!

Remember One Safety Measure we need to follow is Visitor Access to Building. This is why we are holding meetings virtually. If a meeting needs to occur in the building there will be limited access. Parents will not be allowed to visit classrooms at this time. Thank you for understanding.

Reminder about Schoolwork when Students are Absent
Please email your student's teachers if they are sick or planning to be on vacation. Teachers can put together missed classroom assignments for your child to work on, while absent.

Free Child Developmental Screener for children not in school yet. October 7, 2020. For more information please see attachment.

Free Lunch for All Children
The USDA has announced the extension of the Federal Summer Food Service Program by offering **FREE** meals to **ALL** children. This program will continue while funding is available or until December 31, 2020. **Students bringing cold lunch will still be able to purchase milk.**

"Alone we can do so little, together we can do so much." - Helen Keller

Parent – Teacher Conferences

Conferences will be virtual this fall. Ms. Vogt will send out a Sign-Up Genius link for you to sign up for a virtual time soon. Times will be in 15-minute increments on Oct. 7 & 8 from 4:00pm to 8:00pm.

No School Friday, October 9th

No school for students. Take the time to plan a fun family day!

Picture Day

Picture day is normally in early October... This year it will be November 4th. More details will be sent to your email in the coming weeks.

Hello WCSD families,

As you know, we have had our first confirmed positive case of COVID-19 at Washington Caldwell. We appreciate your support and understanding as we work with the Central Racine County Health Department in addressing this issue. We will continue to share relevant information with all families as it relates to COVID-19 and its impact on our district. As always, you may contact me at kmccormick@washcald.com, or via phone at 262-662-3466.

The 2020-21 Student Handbook was approved by the WCSD School Board on Monday, September 21, 2020. We will be publishing this document on our district website. We have included policy updates in the current handbook. If you have questions related to policies in the handbook, please contact the school.

We have added a few new team members to the WCSD family. Please welcome the following new team members:

Susan Krystowiak- a.m. secretary
 Susan Daschner-special education aide
 Bailey Albrecht-special education aide
 Jessica Baumeister-special education aide
 Stacy Kuzba-general education aide
 Rebecca Lord-special education aide

Communicating with parents and families is a critical component to your child's success and the success of our district. With this in mind, I will have office hours for parents. I will be available for virtual or in-person visits. I invite parents to connect with me to discuss ideas, concerns or suggestions related to the betterment of our district, or simply to discuss matters related to your child's educational experience. If you would like to schedule a meeting, my office hours will be held on Wednesdays between 9:00 a.m. and 10:15 a.m. Each visit will be limited to 30 minutes. You may set up a visit by emailing me at kmccormick@washcald.com I look forward to meeting with you.

Sincerely,
 Kevin

Do you have a child ages 2½ - 5?

Join us for our free Child Developmental Screener October 7, 2020

This is an opportunity to gain information about your child's development and community resources.

Any child from 2½ to 5,
not yet enrolled in K4 or K5, can participate.
Families will have the chance to discuss screening
results and concerns with specialists.

If your child is younger than 2½ and you have concerns about his/her development. Please talk to your pediatrician about a referral to the Racine County Birth to Three Program.
